## REALTOR® SOLD PROPERTIES

### Calgary Real Estate Board Statistics Package Gets Re-Branded!

As a result of a mandate from the CREB® Board of Directors, a Member driven Stats Task Force was convened to improve and revise the statistics package.

We have made some changes to the package in hopes that it will become a more comprehensive and viable tool in your day-to-day business.

#### What are the changes?

We have removed the category "Residential Combined" which previously included, single family, condominium, and mobile homes. Many REALTORS® thought that the inclusion of mobile homes didn't give a true reflection of the average price in Calgary. So, we've decided to focus mainly on Single Family and Condominiums. We've refined the stats to show Metro-only properties that are listed and sold within Calgary's city limits and a new category "Town & Country", which is indicative of all properties, listed and sold, outside of the city limits.

We will put the phrase, REALTOR® sold on every statistics package and eventually we hope to trademark that phrase. The reasoning for this is to protect the MLS® information; it's your information as a REALTOR®

and we want to drive the public back to you as much as possible.

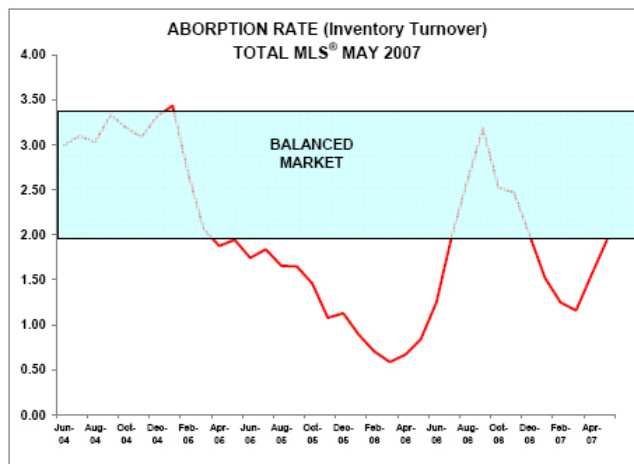

In a further effort to drive the public to use a REALTOR®, we have limited the amount of information that we provide to the consumer, as well as what is provided to the public on [creb.com](http://creb.com). Obviously, we have a responsibility to provide some information to the public; however, our greatest hope is that the consumer will contact you for further information. We are confident that we have improved, and will continue to improve, the statistics we maintain for REALTORS®, so you become the conduit by which potential clients seek their information.

Our main objective in making these changes is to promote the value of the service REALTORS® provide and to protect the MLS® information that rightfully belongs to REALTORS®.

We hope you find the changes within the statistical package useful and if you have any comments or concerns regarding these changes, please email them to [info@creb.com](mailto:info@creb.com).

Thank you.  
Ron Stanners,  
CREB® President
